Closing prices of foreign stock exchanges supplied on behalf of Thomson Reuters (Markets) Deutschland GmbH This provision is based on a sub-contractor agreement with Thomson Reuters (Markets) Deutschland GmbH.

Online access to data from Exchange Data International (EDI), Frankfurt/Main, via host

- Master data
- Corporate action data
- Corporate action monitoring

The contracting party receives a non-exclusive right to internal use of the data of Exchange Data International (EDI) that it has received during the term of the WSS Master Agreement, in original or altered form. Use of the data is internal if the data is exclusively used by the contracting party itself or its employees, without being externally disseminated to third parties.

As the licensed data originate from the third-party rights holder Exchange Data International rather than Deutsche Börse AG, the latter has no way to verify the accuracy of this information nor can it ensure the timeliness or completeness of delivery of such information. For this reason, Deutsche Börse AG makes no guarantee as to the accuracy, timeliness of dissemination or completeness of the EDI data.

B Updating

§ **Securities basic master data of Clearstream Banking AG**

Direct access to Clearstream Banking AG's productive system is available via the WSS Online system, which makes data available immediately upon admission or modification to collective custody.

§ **Share prices of German stock exchanges**

Continuous updates are made during stock exchange trading hours.

§ **Master and corporate action data of Wertpapier-Mitteilungen, Frankfurt/Main.** Updated master and corporate action data is provided around 7:00 p.m. on all exchange trading days.

§ Closing prices of foreign stock exchanges from Thomson Reuters (Markets) Deutschland GmbH

Updated foreign prices are provided immediately after they are approved by Reuters (Markets) Deutschland GmbH:

- All foreign stock exchanges: Daily around 6:30 a.m. with the share prices of the previous exchange trading day
- Far East stock exchanges: Every trading day around noon

§ Master and corporate action data from Exchange Data International Ltd., London

Updated master and corporate action data is provided overnight (between 10:00 p.m. and 8:00 a.m.).

C Provision:

The data listed under A is provided every exchange trading day from 8:00 a.m. to 10:00 p.m. via Deutsche Börse AG's WSS system platform.

D Service Independence in accordance with Section A

Each service under Section A can be accessed on its own and independent of the other services.

E Amendments and Supplements to the Schedule of Services

Any amendments and supplements to the services of Section A are subject to an amendment to the Schedule of Services as well as a fee adjustment in accordance with the Schedule of Services.
