

Brexit Update

An information of Deutsche Börse Group's Regulatory Reporting Hub

Dear valued Regulatory Reporting Hub client,

Deutsche Börse is in the final stages of engaging with regulators and taking all necessary measures to mitigate the impact of Brexit on existing business relations.

To support Regulatory Reporting Hub clients in their efforts to cope with Brexit, Deutsche Börse wishes to remind its clients who require UK data reporting services after exit day to provide notice as soon as possible so that any required preparations, technical changes and contractual addendums can be agreed.

Accordingly, we kindly request that you contact your Key Account Manager in the Regulatory Services team to ensure your circumstances are taken into account.

Sincerely,
Your Regulatory Reporting Hub Team
